

PROTECTED NATURAL SITES AND NATURA 2000 SITES

→ FFH 15 & FFH 16

* State nature reserves, approved nature reserves, forest reserves and wetlands of biological interest (as of 22/04/2016)
 Nearly 97% of these sites are included in the Natura 2000 network. They are at the forefront compared to Natura 2000 sites.
 ** Perimeters of Natura 2000 sites entering into force on 31/12/2016 (as of 30/08/2016)
 *** Grouping together of the "Central Eastern Ardenne", "Low and Mid-Ardenne" and "High Ardenne" for the sake of legibility
